GPSR SAFE USE INSTRUCTIONS FOR HOME TEXTILE PRODUCTS

General safety, use, care, storage and disposal information

Prepared with reference to Regulation (EU) 2023/988 on general product safety (GPSR).

Document purpose. These instructions provide general safety and care information for home textile products supplied by Jerry Fabrics s.r.o. They should be read together with the product label, packaging, care symbols and any product-specific warnings.

1. Scope

These instructions apply, where relevant, to household textile products including:

- bed linen, duvet covers, pillowcases, fitted sheets ;
- blankets, throws, quilts, cushions and pillows;
- towels, beach towels, and textile ponchos;
- other textile accessories intended for normal household use.

2. Before First Use

- Remove all packaging materials and keep plastic packaging away from babies and young children to reduce the risk of suffocation.
- Wash the product before first use when recommended on the label or packaging.
- Wash dark, bright or strongly coloured products separately, or with similar colours, especially during the first washes.

3. Safe Use

- Use the product only for its intended purpose and under normal household conditions.
- Always follow the age suitability, dimensions and warnings stated on the product label or packaging.
- Keep textile products away from open flames, hot surfaces and other ignition sources unless the product is specifically designed and labelled for such use.
- Stop using the product if it becomes torn, excessively worn or otherwise damaged in a way that may affect safe use.

4. Care and Maintenance

- Follow all washing, drying, bleaching and ironing symbols on the sewn-in label.
- Do not overload the washing machine.
- Use detergents and fabric conditioners in accordance with their manufacturers' instructions.
- Remove textiles from the washing machine promptly after the cycle has finished.
- Dry the product fully before use or storage.

5. Storage

- Store clean and completely dry.
- Keep in a dry, ventilated place.
- Protect from excessive humidity, direct sunlight and heat sources.
- Keep away from substances that may stain, contaminate or damage the textile.

6. Disposal

- Dispose of the product and packaging in accordance with applicable local waste collection and recycling rules.

- Where textile collection or reuse facilities are available, consider using them for products that are no longer needed.

7. Product Identification and Traceability

For product identification, complaints or safety-related enquiries, retain the product label and provide, where available, the product name, item/SKU number, EAN code, batch or production information, and proof of purchase.

8. Responsible Economic Operator and Contact
